Dear Members,

Happy new year of the Ox! We wish you a healthy, happy, and prosperous new year! We want to invite you to join us for the first webinar on Mar 13, 2021.

In the face of COVID19, Supply Chain and Procurement Department plays a more prominent role in the organization. When we manage logistics, Incoterms is one of the key elements in management. Incoterms define the impact of shipping cost, the transition of goods ownership and tax responsibility, etc.
